

Farmhouse Flowers

• LOCAL BLOOMS FRESH FROM THE FARM •

Hello Friends!

Summer is upon us, and **Summer means flower season!** Eighty percent of the flowers sold in the U.S. are imported - why not get yours locally? As a Naperville farm, we're excited to offer a summer wholesale program to florist neighbors, designed to accommodate recurring orders.

Priced Per-Stem

Using the most beautiful seasonal flowers available, we create custom orders based on the stems you want.

Flowers by the Bucket

A bucket (\$65) consists of at least 75 in-season stems. If you tell us your favorite varieties and/or colors, we'll do the rest!

Please note: this model excludes Lisianthus (a favorite!), which is always \$14.00/dozen.

Delivery

Have your orders or buckets dropped off by a friendly, overalls-clad farmer friend. You tell us the time that works for you!

Farm Pick-up

Need an excuse to visit? Stop by, say hi, and pick-up your flowers here at the farm. (Yes, we'll help you load the car!)

the Farmhouse Flowers difference

Local. Seasonal. Natural. Our flowers are grown locally at Mayneland Farm (most from seed!) and our selections feature what's in season, not what's shipped from afar. Our stems work best with partners who embrace a natural, creative aesthetic. Past wholesale partners include photographers, stylists, event designers, and of course, florists! We can't wait to help bring your vision to life!
